

Climate Control System - Component Location

Item	Description
1	Dryer cartridge
2	Condenser
3	Ambient air temperature sensor
4	High-pressure connection
5	Air conditioning (A/C) pressure sensor
6	Low-pressure connection
7	<u>HVAC</u>
8	<u>HVAC</u> module
9	Passenger compartment temperature sensor
10	A/C compressor
11	Sun and light sensor
